The pool and the Nile from a Sky Penthouse

From Abdol & Jeevaka

Welcome to our Luxor.

A boutique, owner-managed collection on Luxor's West Bank, with unmatched panoramic views of the Nile.

We created Royal Nile for travellers who want more than a room: space to settle into your own apartment, freedom to shape your days, and hosts who know Luxor as home. Abdol was born here and is a licensed Egyptology guide; together we look after every guest ourselves.

Panoramic Nile views

From terraces, balconies and the rooftop restaurant, the river, the fields and the Theban mountains are always in view.

Private, bespoke tours

Licensed Egyptology guides, private air-conditioned vehicles and days shaped around your interests and pace.

Private-chef dining

Owner managed

We are personally involved with every booking, from your arrival to your departure.
